

MEDIA ALERT

Who: Coalesse and Architecture for Humanity

What: Experience the craftsmanship of Coalesse and support a worthy cause

When: Now through the end of February 2011

How: For every designer that experiences the Coalesse “Craft” presentation, Coalesse will donate \$5 to Architecture for Humanity

EXPERIENCE THE CRAFTSMANSHIP OF COALESSE

Coalesse is already known for inspirational designs, but it’s our premium craftsmanship that sets us apart. We are inviting designers to touch the glass, feel the fabrics, learn about the woods, and examine the stitching details that define the Coalesse brand.

And just by listening to our craft story, designers will help someone share their craft with people that need it most.

We’ve once again partnered with Architecture for Humanity; this time to fund a Design Fellowship to aid in the rebuilding effort in Haiti.

For every designer that experiences our 15-minute “Crafted to Inspire” presentation, we will donate \$5 to the Architecture for Humanity Design Fellowship. Not only will designers be supporting a fellow designer and a worthy cause, they’ll also have the opportunity to win a Bob lounge - customized in the fabric of their choice!

Simply contact a Coalesse Sales Representative to set up a presentation at your office. Starting the week of November 8th, there will be updates and pictures of participants posted frequently on:

www.coalesse.com

<http://www.facebook.com/home.php?#!/pages/Coalesse/51331944213>

<http://twitter.com/Coalesse>

Together we can help rebuild Haiti through the power of design.

CRAFTED TO INSPIRE

Experience the craftsmanship of Coalesse

We are known for our inspirational designs but it's our premium craftsmanship that sets us apart. We invite you to touch the glass, feel the fabrics, learn about the woods, and examine the stitching details that define the Coalesse brand. And just by listening to our craft story, you'll help someone share their craft with people that need it most.

We've once again partnered with Architecture for Humanity; this time to fund a Design Fellowship to aid in the rebuilding effort in Haiti.

For every person at your firm that experiences our 20-minute "Crafted to Inspire" presentation, we will donate \$5 to the AfH Design Fellowship. Not only will you be supporting a fellow designer and a worthy cause, you also have the opportunity to win a Bob lounge - customized in the fabric of your choice!

Please simply reply to this email if you would like to set up a presentation.

Together we can help rebuild Haiti through the power of design.
