# MODERN CLASSIC

---

**Bindu**

The time to relax is when you don't have time for it. *— Sidney J. Harris*

Classic conference seating that balances comfort and performance. Bindu™ seating hits the perfect note.

## COMFORT AT WORK

---

A premium desk and conference seating solution from award-winning designer Brian Kane, Bindu brings a refined softness to offices and meeting rooms without compromising work performance and comfort. The upholstery crafting is exceptional.

Bindu offers a clear alternative in look and feel with its synchro-tilt mechanism and flex back (uncommon in the category), which enables users to fluidly change postures whether collaborating or computing.

Bindu is work's new feel. Expressed in a modern classic. From Coalesse.

# DETAILS

Bindu™ seating is available in an executive high and mid back, and low and mid back four-legged side/guest chairs.

Bindu is available in all Coalesse standard leather and upholstery or customer's own material.

Bases available in black or polished aluminum.
