

# CH100 Series / 1970

DENMARK (HANS WEGNER FOR CARL HANSEN & SØN)

The CH100 Series Chair is the iconic chair chosen by Carl Hansen & Søn to signify the company's 100th year. The CH100 Series Sofa is an unmatched luxury centerpiece. A room maker.

Finely stitched leather on all sides including the bottom. No visible joints in the 100% stainless steel parts. Solid beech wood frame. Meticulously finished. Extremely comfortable. A collector's piece of lasting value.

Heavy tempered glass on polished stainless steel in the quintessential room-anchoring table. A juxtaposition of lightness and strength beside the formidable CH100 Series chair and sofa. Steel work so fine the joints are seamless. Clearly present but unimposing. A magnificent table that defers to its surroundings.

# CH100 Series Chair / 1970
