

Holy Day™ Series / 2003

SPAIN (JEAN-MARIE MASSAUD FOR VICCARBE)

Inspired by the architecture of Ludwig Mies van der Rohe, the Holy Day Lounge marries chrome and leather or upholstery in a sleekly linear form. Ideal for highly visible public or residential spaces. A modern classic. A prestige piece.

Holy Day Tables are spare, clean, architecturally inspired elements of interior space design. Matched with the dramatic Holy Day Lounge, they can be topped in glass, wood, leather, or fabric. Impressive understatement.
