Product Compliance Laboratory Confirmation of Product Compliance

1-Apr-2019

Coalesse Host products have been designed, engineered, and manufactured, to meet or exceed all applicable ANSI/BIFMA (American National Standards for Office Furnishings) requirements for safety and performance.

Samples representative of current production have been tested and found to be in compliance with the following ANSI/BIFMA Test Requirements:

ANSI/BIFMA X5.5-2014 – Desk/Table Products Tests

ANSI/BIFMA X5.9-2012 – Storage Units Tests

In addition to ANSI/BIFMA Standards the Coalesse Host products have been tested and found to be in compliance with the following standards:

UL 1286 Standard for Safety of Office Furnishings¹ (including the flammability requirement of)

Flame Spread Index (FSI) less than 200

Smoke Developed Index (SDI) less than 450

When tested to UL 723 Surface Burning Characteristic of Building Materials^{1,2} (ASTM E 84 test methods)

This product line is Listed to the applicable UL and CSA Standards in accordance with the National and Canadian Electrical Codes. ^{1,2}

¹ This test specification is outside our Scope of Accreditation. This testing was performed by an accredited independent lab.

² Listing compliance is evidenced by the Nationally Recognized Test Lab (NRTL) certification Mark affixed to the product.

Steelcase/Coalesse uses its own ISO 9001 registered and ISO 17025 accredited laboratories, and accredited independent laboratories, to verify compliance to the Standards and requirements listed. A list of accredited independent laboratories is available upon request.

Sincerely,

Jeff Musculus – Director, Global Testing

Note:

This document may be reproduced in full only.

Steelcase/Coalesse products are designed and tested for code and standard compliance when installed and used as an integrated product solution in accordance with Steelcase/Coalesse application guidelines and assembly directions. The use of unauthorized non-Steelcase/Coalesse components, parts, or materials with integrated Steelcase product solutions VOIDS all Steelcase/Coalesse claims of product compliance to BIFMA, UL, CSA, LEED, and / or any office furniture safety or performance standards, including all building, fire, and electrical codes. This exclusion includes but is not limited to the use of non-Steelcase/Coalesse panel supported work surfaces, leg supports, panels, brackets, shelves, overhead bins, and other integral components. The use of non-Steelcase/Coalesse components in an integrated product solution not designed, tested, or supported, by Steelcase/Coalesse is an unauthorized modification of the original product which voids all Steelcase/Coalesse warranties, expressed or implied.
