

WRAPP CHAIR

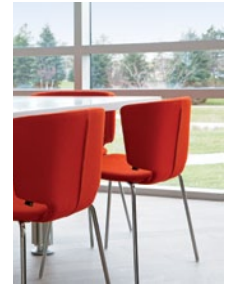

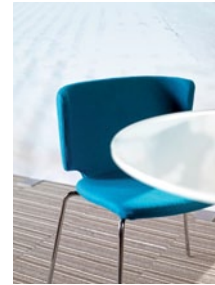

Marc Krusin, Spain

coalesse®

Elegantly functional.

Wrapp chair combines a snug winged back and generous, slightly inclined contoured seat, for comfort and support.

————— A comfortable chair that wraps the back while distributing its support. a meeting and guest chair that doesn't ward out its occupant. it's elegantly functional.

————— Wrapp can be upholstered in leather or fabric; its legs are treated with a more environmentally-friendly chroming process in trivalent chrome. the collection includes a 4-legged option and a sled base version.
