

Aspect

Aspect is a high back, semi-enclosed sofa line.

Aspect sofas can be connected via a screen to create semi-private working booths with power and media capabilities.

► Specifying, pages 150–164

Aspect booths are available for two, four, and six person configurations.

This product does not use glue due to environmental impact. Because of this, occasional dressing of the upholstery may be required.

Optional hanging monitor bracket holds monitors up to 32".

Legs are 8" high with glide feet adjustable up to 1/2".

Aspect sofas are available in 1-seat, 2-seat or 3-seat configurations, ranging from 41" to 87" in length.

Wire channel and grommet are located in upper screen for cable management.

Optional power outlet is located here on all booths.

Upper surround is manufactured on lower unit and will not separate from lower surround.

Table tops are 1" thick laminate with 8 mm edge. The table is tapered on the four and six person units to allow ease in exiting and entering the booth.

Product Details

Two-tone contrasting upholstery option is available through specifying inner and outer contrasting colorways.

Tip: Inner/outer selection must stay in the same fabric family.

Patterned fabric works best when specified on the seat only. Patterns should be avoided on the upper and lower body due to predominant double stitch seams making pattern matching unachievable.

Reveal seam matches seat as standard but can match body finish or "other." Other allows specification to be independent of the seat and body finish selection.

Tip: Reveal seam not allowed to match seat when patterned.

Tip: Reveal seam may only be vinyl if body is also vinyl.

Power and Media

Power integrated in lower screen when optioned on media den units.

- 4 power outlets
- 2 power, 1 CAT6 data, 1 dual USB-A outlets
- 2 power, 1 CAT6 data, 1 HDMI outlets
- 2 power, 2 CAT6 data outlets

72" cord length exits through bottom of lower screen and comes fitted with a standard NEMA 5–15 plug.

Tilting monitor brackets available as an option on media den units. Monitor bracket supports a single screen up to 32" and 44 pounds.

Wire channel and grommet are located in the upper screen for cable management.

Surface Materials

Upholstery

- Fabric
- Customer's Own Material (COM)

Tip: This product does not use glue due to the environmental impact. Because of this, occasional dressing of the upholstery may be required.

Tip: Check the COM database for approve fabrics; not all price groups may pass on Aspect.
