

Border

Border is an upholstered bench with an attached table that transforms small vestibules, landings, and hallways into places where people gather.
 ▶ Specifying, pages 174–180

This product does not use glue due to environmental impact. Because of this, occasional dressing of the upholstery may be required.

Table top available in 32" or 40" diameter with square edge standard or tapered edge option.

Foot rail 11" high. Low units do not have foot rail.

Optional power is located in table base column above bench seat.

Available at seated (low, 18") and café (high, 30") bench heights.

Table top height is 42½" (low units) or 50" (high units) from the floor.

Plastic glides set unit 7/10" from floor.

Single seat units available with centered, left-, or right-sided tables.

Actual Dimensions

	Description	Depth with Table	Width	Height	Weight	Seat Depth	Seat Height	Table Height
OBBORDER01	Low Single, Centered Table	42½" or 50"	47"	30"	80 lb	16"	18"	30"
OBBORDER02	Low Double Table	42½" or 50"	94"	30"	111 lb	16"	18"	30"
OBBORDER03/ OBBORDER04	High Single, Left Table High Single, Right Table	42½" or 50"	47"	42"	106 lb	16"	30"	42"
OBBORDER05	High Double Table	42½" or 50"	94"	42"	146 lb	16"	30"	42"

Product Details

Border combines an upholstered bench and a worktable at both work (low) and café (high) heights. The single (one seat) units are available with a center, left, or a right sided table. The double (two seat) units have a centered table.

The chrome footrest on the high units is 11"H.

The bent design attaches from the underside of the bench with added braces for stability. The footrest is not on the low height units.

Black glides provide protection for flooring and set the unit $\frac{7}{16}$ " from the floor.

The rounded integrated table is available in 32" diameter (standard) or 40" diameter with two edge styles: square (standard) or tapered. The table surface is 1" thick HPL with a 3 mm matching edge band.

Optional power is embedded in the table base column with several module choices available. The power outlet is conveniently located on the bench side of the table base column providing easy access and is hidden from view. Power is not available in the tabletop due to the presence of a mounting plate.

The power node is available with the following operations and in multiple cover plate finish colors.

- 2 power outlets.
- 1 power, 1 dual USB-A outlets.
- 1 power, 1 HDMI outlets.
- 1 power, 1 CAT6 data outlets.

120" power cord length exits through the bottom of the table base and comes fitted with a standard NEMA 5-15 plug.

Optional contrasting upholstery can be applied to the seat and table base. The table base and seat can be different price groups. If two-tone upholstery is selected, contrasting price groups are available. Total seat finish and table base finish price is driven by highest group selection.

Surface Materials

Table tops

- Fiber HPL
- Micro HPL
