

HOST COLLECTION
FP Design, USA

coalesse®

Elegance meets function.

The Host Collection is a complete suite of conference furnishings with design details that thoughtfully respond to the need for aesthetic refinement, while accommodating a wide range of digital requirements for an interactive conference room.

———— Host tables are available in a variety of shapes and sizes to accommodate a range of conference settings.

———— Host storage credenzas are available in standard table and buffet heights with wood or frosted glass doors.
