All lead times subject to change.

Published lead times are estimates based on working production days and upon receipt of a clean order. Note lead times can change daily depending on incoming order volume.

Contact Coalesse Concierge team for current lead time information at 1-800-627-6770.

How to Avoid Impacting Lead Time:

1. Ensure your order is complete - finish selections, textile details, model numbers, contract numbers, etc.
2. Remember, COM's, certain textiles, textile treatments/enhancements, and laminates require longer lead times - pique, perforated, embossed, acrylic backing, and specials (refer to quotation for lead time).
3. Remember to include your custom quote number for custom or special product.
4. Utilize the reservation process for critical or large volume order or contact your Coalesse project manager.
