

POTRERO415 LIGHT TABLE

Coalesse Design Group

coalesse®

Take work to new places.

Communal experiences have never been more essential to modern work. For social and collaborative spaces, Potrero415 Light tables mix performance and design — tailored to the more intimate scale of spontaneous and informal gathering spots in the new workplace.

Featuring the same iconic design of the original Potrero415 series, Potrero415 Light standing and seated height tables are streamlined with a slimmer scale and simplified structure for in-between and smaller spaces. More flexibility to create the meeting places we want — with one table collection.

Connect in meeting spaces where you can plug in, to keep mobile devices charged.

Timeless materiality and style invites gathering.

Make your mark with distinct design details — rich top and leg materials, leg rings, and stitching details. Wood legs bring quintessential warmth and character to enhance a workspace and evoke positive emotional connections.

————— Choose laminate, veneer, Corian or glass top materials — or customize through the Coalesse Pattern and Coalesse Material Capabilities programs.

————— Customize the frame, metal legs and leg rings with infinite color through Coalesse Color.
————— Create a natural palette with solid oak legs.

Product Features

- A. Metal legs.** Available in paint, polished aluminum or infinite color through Coalesse Color. Height adjustable leg rings offer more ways to personalize.
- B. Solid wood legs.** Solid oak legs provide warm, residential style. Leg rings add a personalizable design detail.
- C. Power connections.** Keep mobile devices charged with simple power and USB options. USB A/C configuration shown.
- D. Bottom tray.** Conceals cords and cables with cutouts to support alternate cable management routing. Mesh cable manager for 30" and 36"D tables shown.
- E. Wire management for metal legs.** Cables can be seamlessly managed through metal legs.
- F. Wire management wood legs.** Cables can be managed down wood legs with a leather zip-on cover featuring personalized, contrasting thread.
