

# Coalesse Current Lead Times

As of March 26, 2020

Due to the Covid-19 crisis, we are temporarily placing a hold on all orders and assessing the state of our supply chain. New sales orders are being received and placed on hold, while we leverage our resources for clients deemed essential to the recovery effort. We will share more specific information regarding lead times once the supply chain gains stability. If you have any questions, please contact our Concierge team at [DP\\_Concierge@steelcase.com](mailto:DP_Concierge@steelcase.com).

Thank you for your understanding during this unprecedented time.
